

The Success Map information here takes the resources and services of Coppin State University and recommends specific actions to take as a new student or in your freshmen year. You can print this page and check off each item as you complete them to keep track or access this on the Eagle Achievement Center (EAC) website as you want to refer back. <http://www.coppin.edu/eac>

For questions or assistance, please email eac@coppin.edu

Academic Resources and Planning

Resource	What to do with that Resources	Check when complete!
Advising	Meet each semester with your academic advisor on your plans for your courses and ideas about selecting a major and/or minor.	
Tutoring and support services	Visit the Math Lab and Writing Labs within the Eagle Achievement Center to learn about the math and writing peer and professional tutors. Use them as needed!	
Faculty	Meet with at least one of your faculty for office hours to get more information you need for a course.	
Books and Supplies	Obtain the needed books and supplies for each class to be successful.	

Career Preparation

Resource	What to do with that Resources	Check when complete!
Career and Professional Services in the EAC	Meet with the Career Center to take a career interest inventory.	
Career and Professional Services in the EAC OR Faculty in your major	Learn about career possibilities in the area of major you wish to pursue.	
Career and Professional Services in the EAC	Attend the Career Fair to learn about internships and job possibilities to start preparing now!	
All around campus!	Seek out student employment on campus to work where you learn.	

Engagement

Resource	What to do with that Resources	Check when complete!
Recreation and Wellness	Learn about the offerings for physical well-being through the Recreation and Wellness department. Develop your method of staying active.	
Student Activities	Get involved on campus through engagement opportunities with Clubs, events, and Greek Life.	
Student Activities	Attend Leadership and development workshops offered on campus.	
Cultural	Seek out a theatre performance, dance recital, athletic event, or program on campus to expose you to new things.	

Remember...

All students should aim to finish their first-year with:

- At least a 2.5 GPA (Some majors may require higher)
- Taking 30 credit hours in total for the year (Learn about the Summer SOAR program this unlocks at www.coppin.edu/soar)
- Check graduation requirements in the program sheet for your major. Obtain this from your advisor.
- Declare a major by the end of the first-year

Personal Goals

List your personal goals for the year below.

Goal	Action to take	Check when complete!
